## Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19; Activities

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. Based on current available information and clinical expertise, older adults and people of any age who have serious underlying medical conditions might be at a higher risk for severe illness from COVID-19. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

The City of Tempe has created new protocols and put in place preventative measures to reduce the spread of COVID-19; however, the City cannot guarantee that you, your child(ren), or members of your group or organization will not become infected with COVID-19. Further, attending any City event, program, activity, reservation, rental, or facility may increase your or your child(ren)'s risk of contracting COVID-19.
